To OPA,

The argument that GPE is not the lowest bidder aggravated GSA situation in terms of making the proper judgment and determination. Total cost of lowest bidder is \$11,644.14 and the selected bidder is \$17,730.00. Why would GSA pay \$6,085.86 more ?(Exh T, ( Abtract of Bid ) Lowest bidder delivery date offer is 28-42 days. Both of them offer the same model #. This can be construed as Waste and Abuse of Federal funds.

Bottom line here is the selected bidder is unresponsive and nonconformance.

Note: Correction from my last argument dated Sept. 29. Delete width and insert depth It's should read as follow,

a.) Misrepresentation by stating that the overall depth is as specified on the bidding remarks column.

Very Respectfully,

Sedfrey Linsangan President
