Honorable Lou Leon Guerrero
Governor of Guam

Dear Governor Leon Guerrero:

We have performed an audit of the financial statements of the Government of Guam Solid Waste Operations Fund and of those funds related to the Government of Guam Limited Obligations (Section 30) Bonds, 2016 Series A (the Funds), as of and for the year ended September 30, 2018, in accordance with auditing standards generally accepted in the United States of America ("generally accepted auditing standards") and have issued our report thereon dated April 16, 2019.

We have prepared the following comments to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process for which management of the Funds is responsible.

This report is intended solely for the information and use of management, the Office of the Governor and the Office of Public Accountability of Guam and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

OUR RESPONSIBILITY UNDER GENERALLY ACCEPTED AUDITING STANDARDS AND GENERALLY ACCEPTED GOVERNMENT AUDITING STANDARDS

Our responsibility under generally accepted auditing standards and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, have been described in our engagement letter dated October 4, 2018. As described in that letter, the objective of a financial statement audit conducted in accordance with the aforementioned standards is:

- To express an opinion on the fairness of the Funds' basic financial statements and the accompanying supplementary information, and to disclaim an opinion on the required supplementary information for the year ended September 30, 2018, in conformity with accounting principles generally accepted in the United States of America ("generally accepted accounting principles"), in all material respects;
- To express an opinion on whether the supplementary information that accompanies the basic financial statements is presented fairly, in all material respects, in relation to the basic financial statements taken as a whole; and
- To report on the Funds' internal control over financial reporting and on their compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters for the year ended September 30, 2018, based on an audit of financial statements performed in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*.

Our responsibilities under generally accepted auditing standards include forming and expressing an opinion about whether the financial statements that have been prepared with the oversight of management and the Office of the Governor are presented fairly, in all material respects, in conformity with generally accepted accounting principles. The audit of the financial statements does not relieve management or the Office of the Governor of their responsibilities.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether caused by fraud or error. In making those risk assessments, we considered internal control over financial reporting relevant to the Funds' preparation and fair presentation of the financial statements in order to design audit procedures that were appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Funds' internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Funds' internal control over financial reporting. Our consideration of internal control over financial reporting was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses.

MANAGEMENT JUDGMENTS AND ACCOUNTING ESTIMATES

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and on assumptions about future events. No significant accounting estimates are reflected in the Funds' 2018 financial statements.

UNCORRECTED MISSTATEMENTS

Our audit of the financial statements was designed to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. We have attached to this letter, as Appendices A and B to Attachment II, a summary of uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period and prior period presented, respectively, that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

AUDIT ADJUSTMENTS

Our audit of the financial statements was designed to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. As the result of our audit work, we identified matters that resulted in audit adjustments that we believe, either individually or in the aggregate, would have a significant effect on the Funds' financial reporting process. Such adjustments, listed in Attachment I, have been recorded in the accounting records and are reflected in the 2018 financial statements.

SIGNIFICANT ACCOUNTING POLICIES

The Funds' significant accounting policies are set forth in Note 1 to the Funds' 2018 financial statements. During the year ended September 30, 2018, there were no significant changes in previously adopted accounting policies or their application.

We have evaluated the significant qualitative aspects of the Fund's accounting practices, including accounting policies, accounting estimates and financial statement disclosures and concluded that the policies are appropriate, adequately disclosed, and consistently applied by management.

DISAGREEMENTS WITH MANAGEMENT

We have not had any disagreements with management related to matters that are material to the Funds' 2018 financial statements.

OUR VIEWS ABOUT SIGNIFICANT MATTERS THAT WERE THE SUBJECT OF CONSULTATION WITH OTHER ACCOUNTANTS

We are not aware of any consultations that management may have had with other accountants about auditing and accounting matters during 2018.

SIGNIFICANT ISSUES DISCUSSED, OR SUBJECT OF CORRESPONDENCE, WITH MANAGEMENT PRIOR TO OUR RETENTION

Throughout the year, routine discussions regarding the application of accounting principles or auditing standards were held with management in connection with transactions that have occurred, transactions that are contemplated, or reassessment of current circumstances. In our judgment, such discussions were not held in connection with our retention as auditors.

SIGNIFICANT DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

In our judgment, we received the full cooperation of the Funds' management and staff and had unrestricted access to the Funds' senior management in the performance of our audit.

MANAGEMENT'S REPRESENTATIONS

We have made specific inquiries of the Funds' management about the representations embodied in the financial statements. Additionally, we have requested that management provide to us the written representations the Funds are required to provide to its independent auditors under generally accepted auditing standards. We have attached to this letter, as Attachment II, a copy of the representation letter we obtained from management.

CONTROL-RELATED MATTERS

We have issued a separate report to you, also dated April 16, 2019, concerning certain matters involving the Fund's internal control over financial reporting and on its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters, which was based on the audit performed in accordance with *Government Auditing Standards*. Although we have included management's written response to our findings, such responses have not been subjected to the auditing procedures applied in our audit of the financial statements and, accordingly, we do not express an opinion or provide any form of assurance on the appropriateness of the responses or the effectiveness of any corrective actions described therein.
