A Report to Our Citizens 2016

Dipattamenton Asuntion Militat

DMA's Mission

Created by Public Law 16-18, is a first responder to natural disasters and tasked to manage all elements of the Guam National Guard (Army and Air) not in active service of the United States, (10 GCA, Chapter 63, 64, 66 and 68).

DMA's Goals

- Ensure the Guam National Guard is adequately supported to meet the State and Federal Mission.
- Ensure Master Cooperative Agreement (MCA) Programs requiring local match are sufficiently funded
- Ensure facilities and equipment are readily available and fully operational for soldier's training.

How DMA Operates?

An agreement between Government of Guam and the National Guard Bureau (NGB) establishes the procedure on how the National Guard is to be supported. This process is known as the Master Cooperative Agreement (MCA), which arranges that Gov-Guam pay for services in advance and gets reimbursed for 75 percent or 100 percent depending on the program.

Demographics

Department of Military Affairs is a unique department in that its primary customer is the Guam National Guard (Army & Air).

Employees are funded through Department of Defense under the MCA, except the position of Adjutant General and the Private Secretary which is 100% locally funded.

Population	2015	2016
