Guam OPA Staff Attend IDI's Strategy, Performance Measurement and Reporting Program Approach Adaptation and Validation Meeting

Hagåtña, Guam – The International Organization of Supreme Audit Institutions (INTOSAI) Development Initiative (IDI) held a Strategy, Performance Measurement and Reporting (SPMR) Program Approach Adaptation and Validation Meeting at the Thon Hotel Slottsparken in Oslo, Norway. The main objective of the meeting was to reflect on the SPMR program, identifying what worked well and why, what did not work well and why, share experiences from the resource persons and IDI managers perspectives, and agree on the way forward for the SPMR initiative.

The SPMR initiative is aimed at supporting Supreme Audit Institutions (SAI) to better assess, plan, manage and report on their performance throughout an entire strategic management cycle.

Guam OPA's Accountability Auditor Jerrick Hernandez attended the in-person meeting along with other SAI Resource Persons from the Cayman Islands, Norway, Costa Rica, Tunisia, and Ghana. Several managers from IDI were also in attendance. All travel expenses were paid for by IDI.
