GlidePath Marianas Operations Inc.,

Appellant.

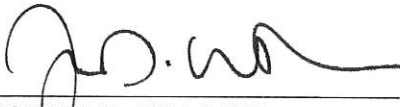

DOCKET NOS. OPA-PA-19-010  
OPA-PA-20-001

**RESPONSE TO ENGIE SOLAR'S  
MOTION TO ALLOW INTERPRETER**

On February 20, 2020, interested party ENGIE SOLAR (“ENGIE”) filed a motion seeking permission to use an Italian Interpreter during the upcoming merits hearing in this matter. GlidePath Marianas Operations Inc. (“GlidePath” or “Appellant”) does not object to the use of professional interpreters during the merits hearing in this matter, so long as GlidePath is permitted to, at least seven (7) days prior to the hearing on the merits, obtain the following: (1) the names(s) of any interpreter(s) that ENGIE intends to use, and (2) the resume(s) or CV(s) of such interpreter(s). This information is sought so as to allow the Office of Public Accountability (“OPA”), as well as the parties to this appeal and the public generally, to satisfy themselves of both the caliber and independence of the interpretation services that ENGIE seeks to use in these proceedings. Finally, if the OPA does allow ENGIE to proceed with the use of an interpreter, GlidePath requests reciprocal permission to utilize the services of a check translator during the proceedings. Obviously, GlidePath would similarly provide the reciprocal information.

*Respectfully submitted* on February 27, 2020.
