PTI Pacifica Inc. dba respectfully requests to withdraw the instant appeal without prejudice. In discussions, with GFD counsel, GFD advised that its letter of October 12, 2022 was not a denial of the agency level protest and that its responses to the agency level protest would be provided with the prescribed 60-day time limit of 2 GAR, Div. 4 Section 9103(d)(3). Additionally, in the interim there have been technical discussions concerning the interconnection requirements which may resolve the issue raised by IT&E.

Respectfully submitted,

Steven Carrara
