Ms. Claudia Acfalle
Chief Procurement Officer
General Services Agency
148 Route 1 Marine Corps Drive
Piti, Guam 96915

Re: Protest of GSA Request for Quote RFQ12000523

Dear Ms. Acfalle:

This is a PROTEST in accordance with 5 G.C.A. § 5425(a) in reference to the above GSA RFQ Small Purchase procurement.

PDS makes this timely protest for the following reasons:

1. The services requested in this RFQ have already been bid by GSA in GSA-IFB-064-11 which is pending award by GSA. No further procurements should be made by GSA for these services.
2. This procurement violates 5 G.C.A. § 5213(a) since the total amount of these services exceeds the Small Purchases limit of \$15,000.
3. This procurement violates 2 G.A.R. § 3111(b)(5) since GSA has artificially divided the services being procured for this department/agency using an abbreviated term and quantity of services to be procured in order for the total procurement to fall under the maximum dollar limit allowed for a Small Purchase procurement.
4. This procurement violates 5 G.C.A. § 5268(b) by requiring features that are peculiar to one vendor's product or service.

GSA is reminded that PDS has filed a timely protest of the above referenced procurement under 5 G.C.A. § 5425(g) and no further action on this procurement can be taken until this protest has been duly reviewed and an appropriate determination made.

Sincerely,

A handwritten signature in black ink, appearing to be 'John Manlanona', is written over the word 'Sincerely'.

Re: Letters of Protests on RFQ 12000894; 12001149; 12000523
12001058 and 12001012

Dear Mr. Mantanona:

I am in receipt of your letters of protest of March 20, 2012 for the above entitled Request for Quotations. Since you cite the same issues for 4 of the 5 protests, I will address them together.

The services request in the RFQ have already been bid by GSA in GSA IFB-064-11, which is pending award by GSA. No further procurements should be made by GSA for these services. **Response:** As you pointed out, GSA bid 064-11 is not yet awarded. The agencies and departments need service and we award on the lowest possible time frame so that when an award is made, the winning bidder can put up the service immediately.

This procurement violates 5 GCA Section 5213(a) since the total amount of these services exceeds the Small Purchases limit of \$15,000. **Response:** The stated amount does not exceed the small purchase amount of \$15,000., since the government is awarded on a limited time basis until the GSA bid 064-11 can be awarded.

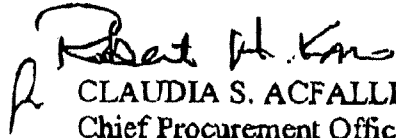

This procurement violates 2 GAR Section 3110(0(5) since GSA has artificially divided the services being procured for this department/agency using an abbreviated term and quantity of services to be procured in order for the total procurement to fall under the maximum dollar limit allowed by a small purchase procurement. **Response:** See response to statements 1 and 2.

This procurement violates 5 GCA Section 5268(b) by requiring features that are peculiar to one vendor's product or service. **Response:** All specifications for telephone services are approved by the government's Bureau of Information Technology and as such, they have determined that they specifications are appropriate.

For RFQ12001012, you indicated a fifth issue that this procurement violates 5 GCA sections 5010 by requiring an unreasonable delivery timeline. **Response.** The needs of the agency and departments involved require immediate service. The fact that the delivery timeline may not be possible does not make it a violation.

On a further note, you protested RFQ 102001058. A review of this indicated that the timeframe of seven (7) months was stated. This was in error and will be corrected.

Based upon the above, your protests are denied. You have the right to seek any administrative or judicial review authorized by law.
