FILE NO OPA-PA: 13-001

I, CLAUDIA S. ACFALLE, do hereby declare:

I am the Chief Procurement Officer for the General Services Agency, Department of Administration of the government of Guam.

I am responsible for the procurement of supplies, services and equipment for the government of Guam, except for those specifically excluded by law and those agencies and departments that I have given delegation to.

As part of the procurement, I obtain vehicles for the government of Guam, which would include fire trucks, passenger, school buses, and heavy equipment vehicles.

As part of the specifications for vehicles that are specifically built for the government of Guam, it has been a practice to include inspection at the manufacturing plant for two (2) inspectors from the government of Guam.

The purpose of these inspections is to insure that the equipment is built to the government's specifications and to catch errors prior to the transportation to Guam.

The trips to these manufacturing plants have caught and fixed these vehicles at the plants, saving the successful bidder thousands of dollars in transportation costs, and liquidated damages. A prime example was the errors caught on the 84 school passenger buses for the Department of Public Works.

Further affiant sayeth not.

I declare under penalty of perjury that the foregoing statements are true and correct
to the best of my knowledge and belief.

Executed this 3rd day of May, 2013.

CLAUDIA S. ACFALLE
