TIME 1:40 pm  
FILE NO. OPA-PA-12-007

Attorneys for the Government of Guam

**BEFORE THE OFFICE OF PUBLIC ACCOUNTABILITY  
PROCUREMENT APPEAL**

IN THE APPEAL OF

DOCKET NO. OPA-PA-12-007

DATA MANAGEMENT  
RESOURCES, LLC.

**DECLARATION OF  
THOMAS W. ASHE  
RE FIBER OPTIC CABLE**

Appellant.

THOMAS W. ASHE, declares from his personal knowledge that the following is true and correct under penalty of perjury:

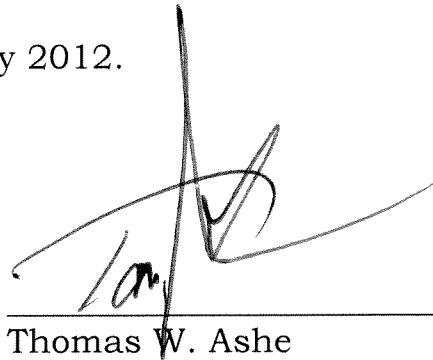

1. In my capacity as a GovGuam employee at the Bureau of Information and Technology, Government of Guam at the Governor's complex in Adelup, as an assistant in the office of the Governor,

2. It came to my attention from very reliable sources having first hand knowledge, that a high speed, short haul fiber optic cable had been installed and connected to the GovGuam data center next to the Guam

Police Department in Hagatna by Data Management Resources.

3. I have evaluated the potential effect of this cable as currently configured and can safely say that this connection together with other means of access, gives Data Management Resources the unrestricted, uncontrolled access to procurement, payroll, human resources, accounting and financial data of Department of Administration (including General Services Administration), Department of Revenue and Taxation and the Department of Public Health and Social Services, plus the potential ability to manipulate such data without leaving any footprint indicating (a) data manipulation and (b) identity of the responsible party.

Dated, this 3<sup>rd</sup> day of July 2012.
