**AGENCY REPORT FOR
OPA-PA-12-002 (RFQ 12001058)**

This Agency Report for OPA-PA-12-002 (RFQ 12001058) is submitted as outlined in 2 GAR Div 4, Chap 12, §12105:

- (a) A copy of the protest: (Refer to Tab 2).
- (b) A copy of the bid or offer submitted by Appellant: No offer submitted by Appellant. (Refer to Tab 6).
- (c) A copy of the Solicitation: (Refer to Tab 6).
- (d) A copy of the abstract: No abstract issued.
- (e) Any other documents which are relevant: On March 3, 2012, the General Services Agency (GSA) received a requisition from Office of Homeland Security in the amount of \$62.40, for the cost of issuing a new number with government phone line to be installed in the elevator for Emergency Call, to include installation fee with inside wire & jack, (Refer to Tab 5). GSA issued a Request for Quotation on 3/13/2012 with a response date no later than; 3/16/2012 to five (5) vendors, (Refer to Tab 6).
- (f) The decision from which the Appeal is taken: GSA responded to the Protest from PDS on March 22, 2012, and denied all claims. PDS was advised that they have the right to seek any administrative or judicial review authorized by law. (Refer to Tab 3).
- (g) A statement answering the Allegation of the Appeal: On March 20, 2012, Pacific Data Systems (PDS) filed a Protest stating the following: (Refer to Tab 3).
 - 1. The services requested in the RFQ have already been bid by GSA in GSA IFB-064-11, which is pending award by GSA. No further procurements should be made by GSA for these services. **GSA Response:** As PDS pointed out, GSA bid 064-11 is not yet awarded. The agencies and departments need service and we award on the lowest possible time frame so that when an award is made, the winning bidder can put up the service immediately.
 - 2. This procurement violates 5 GCA Section 5213(a) since the total amount of these services exceeds the Small Purchases limit of \$15,000. **GSA Response:** The stated amount does not exceed the small purchase amount of \$15,000, since the government is awarding on a limited time basis until the GSA Bid 064-11 can be awarded.
 - 3. This procurement violates 2 GAR Section 3110(b)(5) since GSA has artificially divided the services being procured for this department/agency using an abbreviated

term and quantity of services to be procured in order for the total procurement to fall under the maximum dollar limit allowed by a small purchase procurement. **GSA Response:** GSA has not artificially divided the services being procured to fall under the maximum dollar limit allowed by a small purchase procurement.

4. This procurement violates 5 GCA Section 5268(b) by requiring features that are peculiar to one vendor's product or service. **GSA Response:** All specifications for telephone services are approved by the government's Bureau of Information Technology and as such, they have determined that the specifications are appropriate. GSA did not require features that are peculiar to one vendor's product or service.

(h) If the award was made after receipt of the protest: No award was made.

(i) A statement indicating whether the matter is the subject of a court proceeding: We are unaware of any court proceeding on this matter.

Re: Protest of GSA Request for Quote RFQ 12001058

Dear Ms. Acfalle:

This is a PROTEST in accordance with 5 G.C.A. § 5425(a) in reference to the above GSA RFQ Small Purchase procurement.

PDS makes this timely protest for the following reasons:

1. The services requested in this RFQ have already been bid by GSA in GSA-IFB-064-11 which is pending award by GSA. No further procurements should be made by GSA for these services.
2. This procurement violates 5 G.C.A. § 5213(a) since the total amount of these services exceeds the Small Purchases limit of \$15,000.
3. This procurement violates 2 G.A.R. § 3111(b)(5) since GSA has artificially divided the services being procured for this department/agency using an abbreviated term and quantity of services to be procured in order for the total procurement to fall under the maximum dollar limit allowed for a Small Purchase procurement.
4. This procurement violates 5 G.C.A. § 5268(b) by requiring features that are peculiar to one vendor's product or service.

GSA is reminded that PDS has filed a timely protest of the above referenced procurement under 5 G.C.A. § 5425(g) and no further action on this procurement can be taken until this protest has been duly reviewed and an appropriate determination made.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Mantanona', is written over the word 'Sincerely' and extends below it.

Re: Letters of Protests on RFQ 12000894; 12001149; 12000523
12001058 and 12001012

Dear Mr. Mantanona:

I am in receipt of your letters of protest of March 20, 2012 for the above entitled Request for Quotations. Since you cite the same issues for 4 of the 5 protests, I will address them together.

The services request in the RFQ have already been bid by GSA in GSA IFB-064-11, which is pending award by GSA. No further procurements should be made by GSA for these services. **Response:** As you pointed out, GSA bid 064-11 is not yet awarded. The agencies and departments need service and we award on the lowest possible time frame so that when an award is made, the winning bidder can put up the service immediately.

This procurement violates 5 GCA Section 5213(a) since the total amount of these services exceeds the Small Purchases limit of \$15,000. **Response:** The stated amount does not exceed the small purchase amount of \$15,000., since the government is awarded on a limited time basis until the GSA bid 064-11 can be awarded.

This procurement violates 2 GAR Section 3110(0(5) since GSA has artificially divided the services being procured for this department/agency using an abbreviated term and quantity of services to be procured in order for the total procurement to fall under the maximum dollar limit allowed by a small purchase procurement. **Response:** See response to statements 1 and 2.

COMMITTED TO EXCELLENCE

This procurement violates 5 GCA Section 5268(b) by requiring features that are peculiar to one vendor's product or service. **Response:** All specifications for telephone services are approved by the government's Bureau of Information Technology and as such, they have determined that they specifications are appropriate.

For RFQ12001012, you indicated a fifth issue that this procurement violates 5 GCA sections 5010 by requiring an unreasonable delivery timeline. **Response.** The needs of the agency and departments involved require immediate service. The fact that the delivery timeline may not be possible does not make it a violation.

On a further note, you protested RFQ 102001058. A review of this indicated that the timeframe of seven (7) months was stated. This was in error and will be corrected.

Based upon the above, your protests are denied. You have the right to seek any administrative or judicial review authorized by law.
