Harbor Center Guam by through its Attorneys, Cabot Mantanona LLP, hereby submits its request for special accommodations for its witness Robert Kono, Esq. Mr. Kono is currently admitted to Guam Memorial Hospital (hereinafter GMH) and he is recovering from a second amputative surgery and is on dialysis. He is currently admitted to GMH but he is awaiting clearance for urgent medical treatment in the Philippines and will leave as soon as he receives his medical clearance.

Harbor Center requests that Mr. Kono's testimony be taken in the form of a video deposition at GMH as soon as possible, in lieu of live testimony, as soon as permission is granted. At this time it is unknown when Mr. Kono will receive his medical clearance to go to the Philippines. He has been waiting for clearance since the beginning of October. It is also unknown how long he will be gone due to the life-threatening nature
