

OPA,

Relative to the pre-hearing yesterday, I'm relying on my 20 page comments, arguments and exhibits dated 9/29/15.

I'm requesting that the OPA and Hearing Officer compel the attendance of GSA employees:

- Claudia Acfalle - Chief Procurement Officer
- Anita Cruz - Buyer Supervisor
- Robert Kono - Procurement Counsel

While my appeals numerical value is not a large amount, the real value of this appeal cannot be overstated. Its worth is infinite as long as this island exists, and OPA implement its objective for a better government. This appeal covers the violation of procurement laws that resonated among the procurement administrators. They may not be aware of the fiduciary responsibilities they need to carry out. They disburse funds by issuing Purchase Orders for supplies and contracts that create economy activity that could amount to hundreds of millions of dollars a year. Neglecting the procurement laws will negatively impact the island of Guam's economy.

Hence, I'm requesting that all Gov Guam Agencies Procurement Officials including Autonomous Agency Guam Procurement Council and GHURA send its representative to the hearing date. The following departments should be compelled to attend the hearing:

- a) GPA
- b) GWA
- c) GHURA
- d) DOE
- e) GMH
- f) Judicial Court
- g) Public Health
- h) Guam Airport Authority
- i) Public Works
- j) GCC
- k) UOG
- l) Port Authority
