The Board of Directors  
Antonio B. Won Pat International Airport Authority, Guam  
P.O. Box 8770  
Tamuning, Guam 96931

We have performed an audit of the financial statements of the Antonio B. Won Pat International Airport Authority, Guam (the Authority), a component unit of the Government of Guam, as of and for the year ended September 30, 2016, in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and have issued our report thereon dated January 30, 2017.

## **REQUIRED COMMUNICATIONS**

Professional standards require the auditor to provide the Board of Directors (the Board or those charged with governance) with additional information regarding the scope and results of the audit that may assist the Board (or those charged with governance) in overseeing the financial reporting and disclosure processes which the management of the Authority is responsible. We summarize these required communications as follows:

### **Auditors' Responsibilities under Auditing Standards Generally Accepted in the United States (US GAAS) and Generally Accepted Government Auditing Standards (GAGAS)**

The financial statements are the responsibility of the Authority's management. Our audit was designed in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, to obtain reasonable, rather than absolute, assurance that the financial statements are free of material misstatement. We were not engaged to perform an audit of the Authority's internal control over financial reporting.

**Auditors' Responsibilities under US GAAS and GAGAS, continued**

Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation.

As part of our audit, we considered the Authority's internal control over financial reporting as a basis for designing audit procedures that were appropriate in the circumstances.

As described in our engagement letter dated July 22, 2015, the objective of a financial statement audit performed in accordance with US GAAS and GAGAS is as follows:

1. To express an opinion on whether the basic financial statements of the Authority are presented fairly, in all material respects, in conformity with U.S. generally accepted accounting principles. To conduct an audit in accordance with the Single Audit Act Amendments of 1996 and the provisions of Title 2 U.S Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express an opinion on compliance for each major program and to render the required reports.
2. To provide a report on internal control over financial reporting related to the financial statements and compliance with laws, regulations and the provisions of contracts or grant agreements and other matters, noncompliance with which could have a material effect on the financial statements, as required by *Government Auditing Standards*. We did not perform sufficient procedures to render an opinion on internal control over financial reporting nor on compliance with provisions of laws, regulations, contracts or grant agreements and other matters, and therefore, we did not express such an opinion.
3. To report on the fairness of the schedule of expenditures of federal awards when considered in relation to the financial statements as a whole. We also will report on internal control related to major programs and provide an opinion on compliance with laws, regulations and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and the Uniform Guidance.

### **The Adoption of, or a Change in Significant Accounting Policies**

We determined that the Board is informed about the initial selection of, and any changes in significant accounting principles or their application when the accounting principle or its application, including alternative methods of applying the accounting principle, has a material effect on the financial statements.

Effective October 1, 2015, the Authority implemented:

- GASB Statement No. 72, *Fair Value Measurements and Application*. This Statement establishes accounting and financial reporting standards for fair value measurements, the level of fair value hierarchy, and valuation techniques.
- GASB Statement No. 76, *The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments*. This Statement reduces the GAAP hierarchy to two categories of authoritative GAAP and addresses the use of authoritative and nonauthoritative literature in the event that the accounting treatment for a transaction or other event is not specified within a source of authoritative GAAP. This Statement supersedes Statement No. 55, *The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments*.

### **Auditor's Judgments about the Quality of the Authority's Accounting Principles**

We discussed our judgments about the quality, not just the acceptability, of the Authority's accounting principles as applied in its financial reporting, including the consistency of the accounting policies and their application and the clarity and completeness of the financial statements and related disclosures.

### **Sensitive Accounting Estimates**

Certain estimates are particularly sensitive due to their significance to the financial statements and the possibility that future events may differ significantly from management's expectations.

We determined that the Board is informed about management's process for formulating particularly sensitive estimates and about the basis to our conclusions regarding the reasonableness of those estimates.

Management's judgment is called upon in:

- Preparing budgets that are used to administer and monitor the Authority's operations. These budgets include determining how existing financial resources will be used in the Authority's operations.
- Determining the valuation of investments.
- Determining the adequacy of the recorded valuation of receivables, including the need for any reserve.
- Determining useful lives in the calculation of depreciation expense.
- Determining assumptions utilized in measuring pension and other employee-related reserves and related costs for financial accounting purposes.

### **Material Corrected Misstatements**

As a result of our audit procedures, material misstatements were brought to the attention of management and were corrected during the current period (see Appendix A – *Summary of Corrected Misstatements*). During our audit, several post-closing journal entries were recorded while we were conducting our fieldwork.

### **Uncorrected Misstatements Considered by Management to be Immaterial**

Certain uncorrected misstatements accumulated by us (i.e. adjustments either identified by us or brought to our attention by management) were identified during the audit and pertaining to the latest period presented, which were determined by the Authority's management to be immaterial, both individually and in the aggregate, to the financial statements as a whole (see Appendix B – *Summary of Uncorrected Misstatements*).

### **Other Information in Documents Containing the Audited Financial Statements**

We reviewed the Management's Discussion and Analysis and other supplementary schedules to the financial statements to ensure consistency with the audited financial statements.

### **Consultation with Other Accountants**

We are not aware of any consultations that management may have had with other accountants regarding any significant auditing and accounting matters during the fiscal year ended September 30, 2016.

### **Disagreements with Management on Financial Accounting and Reporting Matters**

There were no material disagreements with the Authority's management on financial accounting and reporting matters during the audit.

### **Major Issues Discussed with Management Prior to Retention**

There were no major accounting issues discussed with the Authority's management prior to our retention.

### **Methods of Accounting for Significant Unusual Transactions and for Controversial or Emerging Issues**

We are not aware of any significant unusual transactions recorded by the Authority, or of any significant accounting policies used by the Authority related to controversial or emerging areas for which there is lack of authoritative guidance.

### **Serious Difficulties Encountered in Dealing with Management in Performing the Audit**

There were no serious difficulties encountered in dealing with management in performing the audit.

### **Fraud and Illegal Acts**

We are not aware of any matters that require communication. Furthermore, the Authority's management has represented to us that they were not aware of any fraud or illegal acts for the period from October 1, 2015 to January 30, 2017 (see Appendix C – *Management's Representation Letter*).

### **Control Related Matters**

We have identified a significant deficiency in our separately issued Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* dated January 30, 2017. We have identified a significant deficiency in our separately issued Report of Independent Auditors on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance and Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance, also dated January 30, 2017.

We have communicated to management, in a separate letter also dated January 30, 2017, certain deficiencies and other matters related to the Authority's internal control over financial reporting and to the Authority's internal control over its information technology environment that we identified during the audit.

Management's written responses to our comments have not been subjected to the auditing procedures applied in our audit of the basic financial statements and, accordingly, we do not express an opinion or provide any form of assurance on the appropriateness of the responses or the effectiveness of any corrective actions described therein.

### **Independence**

We are not aware of any relationships between Ernst & Young and our related entities, and the Authority, or any other matters that in our professional judgment, may reasonably be thought to bear on our independence.

We confirm that we are independent with respect to the Authority within the meaning of the applicable published rules and pronouncements, its interpretations and rulings.
