What, again? DOE first gave notice of the unrelated and independent civil action in its Agency Report filed herein (Tab I, Book 2 to Agency Report), on February 11, 2011. Why it does so again is a mystery and waste of time. DOE's second notice filed today adds absolutely nothing new to the record and should be disregarded entirely. Appellant has already responded substantively and at length to the matter in its Comments on the Agency Report filed February 14, 2011, and provided OPA a copy of the Complaint therein on the same day.

March 31, 2011

Respectfully submitted,

John Thos. Brown
For Appellant
