---	---	--

12 Appellant CARS PLUS LLC submits the instant statement of related cases in the hope of
13 avoiding the additional cost and expense of preparing duplicative materials. This appeal involves
14 the same invitation for bid at issue in OPA-PA-13-012 and OPA-PA-13-011 (collectively "Triple
15 J Appeals"). The appellant in those matters has filed a motion to consolidate. Upon
16 information and belief, the Procurement Record in all three matters will be substantially the
17 same. The protest that is the basis of this appeal as well as the decision made by the General
18 Services Agency are all also a part of the Procurement Record in the Triple J Appeals. Cars Plus
19 respectfully submits that, based on the overlapping facts and issues, a consolidation of all cases
20 related to the purchase of police cars may be appropriate.
