Re: GSA-093-15

We respectfully take exception to the belief that MPFE total amount on Bid GSA-093-15 is \$295,089.37, when the total of the extended bid prices is \$268,507.87. Therefore our bid bond of \$42,000 is sufficient to meet the requirements and our bid should be consider.

If you do not agree consider this a formal protest of your position.

Should you need further clarification please contact me directly at 487-0936.

Thank you,

Craig Wade  
President/CFO

Re: Protest on GSA Bid 093-15

I am in receipt of your memorandum dated September 28, 2015, in which you requested that the submitted bid price be corrected to reflect the error. And, if we fail to change the award based upon your letter, to consider this a protest. Mistakes are defined in 2 GAR. Division 4 Section 3109 (4) (c) which states in pertinent part "Mistakes where intended correct bid is evident" Mistakes where intended correct bid is evident. If the mistake and the intended correct is clearly evident on the face of the bid document. The bid shall be corrected to the intended correct bid and may not be withdrawn. Examples of mistakes that may be clearly evident on the facts of the bid document are typographical errors, errors in extending unit price, transportation errors, and arithmetical errors.

In reviewing your bid submittal, there was no evidence that a mistake occurred.

As stated in the Sealed Bid Solicitation instructions on page 26, item 2(c), in pertinent part: the Unit Price will be presumed to be correct." Your letter of September 28, 2015, reinforced the unit price that you offered.

Therefore, your protest is DENIED.

You have the right to seek any administrative or judicial review authorized by law.
