Hi Krystel and Ms. Anita,

I spoke to Mr. Carlo Pangelinan last June 15, 2021 via telecon regarding the request for price quotation for the golf cart. He asked for the specification, model and type whether it is a two seater with front or back passenger seat. I have provided all the information he needed. He also states that he is the only authorized vendor for the model of the cart. At that time the cart was needed for immediate response for the COVID event for GMH and UOG. He states that the cart is made in China and is hesitant to provide the quote due to the Buy American Act Law. He said that he is aware that dealing with Federal Funds must be expended within US products. I made no comments and told him that I will verify with my superiors. He also said that if the item were to be ordered he would require 30 days to 45 days delivery time. After that I did not hear from him. No Price quote was provided in our office.

Ground clearance	120mm
Net weight	820kg
Forward speed	25km/h
Turning radius	4.45m
Maximum mileage	100km
Model No	11-2576
Battery	8V4
Turntable	18.1
Ground clearance	120mm
Net weight	1000kg
Forward speed	25km/h
Turning radius	3.8m
Maximum mileage	80km

I also need to know what type of 4 seat. Is it back to back, or 2 rows facing forward.

For example, these are both 4 seat, but prices are much different.

Hafa Adai,

RFQ received. I would like to speak to someone regarding the specifications. I am a distributor for the 827 model golf carts, and the description on the RFQ is too vague to provide an accurate quotation.

Please call me back @ 482-7055

Best Regards,

Carlo
