Our office received one (1) question via email regarding OPA-RFP-17-001 for Website Services. Below is the question and our response. Please note that no amendments have been made and all terms and condition of the RFP remain the same. Thank you.

Question: Are those prospective offerors who responded to RFQ in relation to this RFP be able to resubmit a new bid by the new deadline?

Response: In relation to this RFP, OPA-RFP-17-001 Website Services, OPA requested for an RFI (Request for Information) OPA-RFI-17-01 for Website Services on January 23, 2017. The OPA-RFP-17-001 and OPA-RFI-17-01 are independent of each other.

Responses to RFI are not considered a bid for an RFP. Therefore, in order for a company or individual to be considered for OPA-RFP-17-001, a submission of an actual bid is a must in accordance with the RFP instructions.
