Association of Government Accountants Guam Chapter Recognizes OPA *Accountability and Transparency in Citizen-Centric Reporting FY 2010 to FY 2019*

December 23, 2020

Hagåtña, Guam – The Office of Public Accountability (OPA) has received the Accountability and Transparency in Citizen-Centric Reporting Fiscal Year (FY) 2010 to FY 2019 award from the Association of Government Accountants (AGA) Guam Chapter. OPA was recognized during the AGA Guam Chapter’s General Membership meeting on December 23, 2020.

The Citizen-Centric Report initiative, adopted through Public Law 30-127, assists in advancing accountability and transparency in our government. This report provides information about the entity’s goals, performance measures, audited financial information, challenges and outlook of your operations, and most importantly, how taxpayer dollars are spent in a manner that is easily understandable and accessible to our citizens.

OPA is honored and proud of this recognition from the local chapter. Thank you to the AGA Guam Chapter for this recognition.
