On September 17, 2008, the Appellee filed a Request for Clarification on the issue of whether or not the Comments to the Agency Report filed by the Appellant on September 8, 2008, will be accepted as part of the record. In response, this issue will be determined in the decision

1 following the September 26, 2008, Hearing on the Motion to Strike "Final Letter" of Appellant
2 for Untimeliness (Motion to Strike). The statement that the "filing record is complete" circulated
3 in OPA's September 15, 2008, letter to the Office of the Attorney General merely states that
4 timeline for documents to be filed as prescribed by the rules of procurement has passed, but said
5 statement is not a decision of any kind on the pending Motion to Strike.
