Guam OPA Staff Enhanced Facilitation Skills for Strategic Plan Development

Hagåtña, Guam – The Pacific Association of Supreme Audit Institutions (PASAI) coordinated the Strategic Management Capabilities Programme workshop at the Rihga Royal Laguna Guam Resort, Tamuning, Guam. This event was attended by 14 staff from the public audit offices of Chuuk, Kosrae, Pohnpei, Palau, Tuvalu, and Guam.

From March 6-10, 2023, participants met in a face-to-face workshop to continue to build on one of PASAI's strategic priorities for all PASAI member audit offices. This was to develop process facilitation skills of the participants required to effectively develop and manage organizational strategy and to foster strategic thinking at the individual and organizational levels.

The Guam Office of Public Accountability (OPA) selected its facilitation team consisting of Maria Thyrza Bagana, Accountability Auditor III; Frederick Jones, Accountability Auditor II; and Johanna Pangelinan, Accountability

Auditor I, to effectively develop, manage, and foster strategic thinking within the Guam OPA to wholly design a strategic plan, operational plan, and monitoring and evaluation framework.

PASAI consultant, Pritom Phookun, along with PASAI Director (North), Doris Flores Brooks and Director of Practice Development, Sinaroseta Palamo-Iosefo also facilitated the training. at the training venue in Tamuning, Guam.

This workshop furthered the instruction of the Strategic Management Programme, which was given online to the participants by PASAI from February 13-17, 2023, and concentrated on the strategic management process, such as communication and change management.
